Dear Fred:

It is quite gratifying to know that you have recognized the importance of supporting HL7 with your organizational membership. For this I thank you and we can't express our gratitude enough. In appreciation we are pleased to have enclosed a membership certificate for your display. By doing so, you not only receive valuable promotional goodwill, but you are notifying the healthcare community that Wisconsin Dept. of Health & Family Services has risen above the average level of support of HL7 and is truly committed to its achievement of a cost-effective approach to systems connectivity.

As a benefit of your membership in HL7, you are entitled and encouraged to use the HL7 membership logo and related symbols in your organization's internal and external promotional materials, including advertising and exhibition uses (the "HL7 Member Trademarks"). Black & white and color "2000 Member" logos in jpg and tif formats are available to organizational members at the following URL: http://www.hl7.org/special/memonly/logos_2000/.

HL7's permission to use the Member Trademarks is granted conditionally to organizational members in good standing, with the stipulation that usage of these symbols is not an implied warranty of the member's products or services, nor is it an endorsement or sanction by HL7 of the actions of the member. Determination of proper usage is at the sole discretion of HL7, and HL7 reserves the right to supervise, inspect, and control all use of the Trademarks. Wherever the HL7 Trademarks are displayed, the following textual trade mark notice must also appear: "HL7," "Health Level Seven," and the puzzle design are registered trademarks, and the HL7 design is a trademark of Health Level Seven, Inc.

As always, if you have any additional suggestions on how we may better serve your organization, or how we may provide you with better value, please contact me at 734-677-7777 or via e-mail at hq@hl7.org. Again, thank you for your role in supporting HL7 throughout year 2000!

Sincerely,
