Hello,

The Public Comment responses have not been posted to SharePoint yet and won't be until all the responses are finalized and the plan is submitted to the ONC. The response to most comments are final including yours so I asked staff to extract yours so I could send them to you (attached). You should see the changes indicated in the response in the Board Review version of the plan on SharePoint. We will be doing a final audit of the public comment responses on the final version of the SOP to ensure nothing was missed.

All subscribers to the eHealth listserv will receive a message when the final SOP is posted to SharePoint and sent to ONC.

All ONC personnel working with States on the State HIE projects, such as Erica, can be contacted through the ONC functional e-mail address. The address is Statehiegrants@hhs.gov

Good morning Kären,

I'd appreciate receiving the email address of Erica Galvez and a link to the final strategic and operational plan that is submitted to ONC.

I could not find a single one of my suggested revisions (copy attached) that was considered.

Thank you,
Fred

Hi Kären,

Per your request, I've attached a copy of comments that I made to the WIRED Board last Friday.
